

CIRCULAR SUDOKU

GAMEPAD

LOGIC IN A CIRCLE.
MASTERY IN EVERY MOVE.

HOW TO PLAY

Place the numbers 1-9 so each ring and each sector
contains every number exactly once.

The diagram is a circular chart with concentric rings and radial lines. It is divided into three sectors by a thick black line. The numbers are arranged in a pattern that suggests a 3x3 grid or a similar mathematical structure. The numbers are arranged in a pattern that suggests a 3x3 grid or a similar mathematical structure.
